

PLANNING DIVISION PUBLICATION LIST

November, 2003

The Miami-Dade Planning Division of the Department of Planning and Zoning is the county agency responsible for planning and growth management in Miami-Dade County, Florida. It gathers and analyzes data about land use, population, employment, and urban development patterns within the county. The following is the list of publications and maps currently available for sale. These documents may be reviewed or purchased during normal business hours (8:00 A.M. – 5:00 P.M., Monday through Friday). For further information, please contact Veronica Mendoza at (305) 375-1808 or you can reach us on the World Wide Web at http://www.miamidade.gov/planzone/library_census.asp. To order by mail, please complete the order form at the end of this publication.

RESEARCH SECTION PUBLICATIONS AND MAPS*

Please Note: The prices of the Reports and Studies listed are based on the number of pages in each document which must be purchased in whole.

METROPOLITAN PLANNING PUBLICATIONS

Code MP 44-48

The CDMP is the officially approved plan for the future development of Miami-Dade County. The last major update was in 1997 and later amended in 1999. The plan is presented in a written report and a future land use map. The map was printed in 1998 and needs a set of amended supplements to bring it up to date. It is a two-sided map and you will need two copies if you plan to use it to display the entire County. For text updates on individual CDMP Amendment Cycles or for further inquiries concerning Master Plan publications call Frank McCune at (305) 375-2835. Please add \$3.00 for Shipping and Handling, when order by mail, for each one of these specific documents.	
Description	Price
LUP Map and Adopted Amendments	\$15.00
Land Use Plan (LUP) Map and Supplement	\$7.00
Total Current Plan Text And Adopted Amendments	\$10.00
Applications Report	\$3.00
Initial Recommendations Report	\$12.00
